NOMINATIONS FOR OUTSTANDING/SUCCESSFUL SCHOOLS

As part of the 69th Fall Conference sponsored by the Association of Teacher Educators of Indiana, we want to recognize outstanding/successful schools which advance related educational research based reforms for the purpose of improving student learning. We are especially interested in schools that are integrating new technology into curriculum, implementing new teaching/learning/assessment learning through professional development, and demonstrating commitment to high standards and life-long learning with partnerships in the local and greater educational communities. In short, we are looking for successful schools that deserve to be applauded. Nominate one worthy school (elementary, junior high/middle, or secondary school) with which your department has partnered and which meets the above criteria.

Selected schools will be presented at the 2016 Fall Conference, October 14-16, 2016. Participants will be invited to attend the conference and the awards banquet where they will be recognized with Outstanding Cooperating Teacher Awardees, Outstanding University Supervisor Awardees, and Teacher Educator Hall of Fame Awardees.

Please complete the following form/nomination information. **BE SURE TO ATTACH THE ONE-PAGE DESCRIPTION OF THE SCHOOL WITH THIS.**
